Dear Parents/Carers

I hope that you and your family are all safe and well. What a week it's been! On Monday evening our Prime Minister announced a new national lockdown and we must now '**Stay home-protect the NHS-save lives.**'

All schools are now closed, to the majority of children, until at least the end of February half term. In line with government recommendations, our nursery will remain open to all nursery children.

We are also open to children whose parents are Critical workers and to vulnerable children.

We will provide remote learning to all of the children who are at home through Google classroom. Children who are attending school, will complete their work here. Live lessons will start later this week and more information will be sent to you about how to access this.

We are awaiting information about how we will provide meals for children who are entitled to Free School Meals but are at home, I will update you asap.

This is once again a very challenging time for us in school and for you at home. Please don't hesitate to contact us if you are having any difficulties or if we can support you in any way.

Please look after yourselves and your families.

Best wishes

Miss S Ward
