Izaak Walton Way • Madeley • Cheshire • CW3 9PJ

Headteacher: Miss S Ward, BA (Hons), PGCE, NPQH

'With God all things are possible'

24.9.21

Dear Parents/Carers

As you know your child's personal development and well-being is very important to us and we take pride in being able to support your child so that they can live healthy, happy and safe lives now and in the future. This was a priority for us during the last year and will continue, now we are all back in school.

We have always taught Personal, Social, Health and Economic (PHSE) lessons which support your children with this. These lessons also include Relationships Education, which is compulsory in all schools and also links with Science topics.

We trialled using the PHSE association lessons last term and we will be continuing with these this year. The topics are based around an overarching question, which is explored with the children. I have therefore, attached the new overview of topics for each year group. Further information about the topics can also be found on the website. We have also updated our PHSE/Relationships and Sex Education (RSE) policy in line with these changes and I have attached a draft copy.

If you have questions or comments, please don't hesitate to contact me.

Kind regards

Mrs S Inskip-Ward

Headteacher

A child's mental health is just as important as their physical health and deserves the same quality of support.
