'With God all things are possible'

12.01.21

Dear Parents,

While we are working in these unusual circumstances we would like to be able to share some assemblies with you to continue to share our school ethos; living each day through our motto, 'With God all things are possible' and the core Christian Values of Love, Aspiration and Forgiveness.

Each week we will email two assembly links to you. These are below for this week.

We will send you resources from 'Picture News' which will include a link to an assembly with a picture. This includes a big question about current news and British values.

We will also send you either an assembly link from Rev John or a teacher.

Please share these with your children while working at home.

Many thanks,
Mrs Hough
