## Remote learning

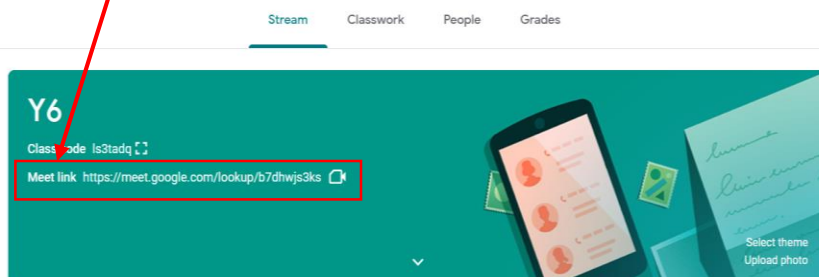

Dear Parents/Carers,

Following the government's announcement to lockdown schools to the majority of children, we will continue to provide remote learning for your child to access at home.

You will find a timetable of lessons for your child each week, which will include live lessons. These are on Google Classroom.

The first live lessons will be English lessons on Thursday 7<sup>th</sup> 10:15am and Friday 8<sup>th</sup> January at 11am. You will need to click the 'meet link' at the top of the class page.

From Monday 11<sup>th</sup> January lessons will be taught in a variety of ways, which will be shown on the timetable.

During this lockdown, the government's expectation is that children will their work at the end of each day via Google Classroom. Please do not send work directly to teachers' email addresses. A guide will be sent to you later this week.

We understand that some children will need support to complete this work. If you are a critical worker your child will complete the work on the days when they are in school.

We know that these are difficult times and we want to work with you to support your child's learning.

Please don't hesitate to contact your child's teacher if you have any questions or queries.

Kind regards,

Miss Shuker

Deputy Headteacher
