

RE

In RE, Year 2 will be learning about the good news that Jesus brings. They will discuss what makes a good person and why Jesus is seen as good by so many believers. Year 2 will explore different stories from the Bible and the meaning and message behind these stories.

PE

In Physical Education, Year 2 will be learning about Health and Wellbeing and Team building. In Health and Wellbeing, children explore agility, balance and co-ordination and how to develop and use these skills in different sporting situations. In Team building children will learn about why team work is so important and how to create an effective team. They will look at trust and strategy.

Music

In Music, we will 'reflect and rewind,' on our prior learning. Year 2 will revisit the songs which they have been learning throughout the Year, reflecting on key vocabulary and themes, such as pulse and rhythm. Year 2 will continue to have a go at playing Glockenspiels, alongside the songs they are learning. I am looking forward to revisiting our prior learning and building upon this.

Maths

In our Maths lessons we will continue to look at 'Mass.' Year 2 will learn about different units of measurement, including Centimetres, Metres and Millilitres. Year 2 will expand their mathematical vocabulary by comparing different items in relation to their Mass.

D&T

In Design and Technology, Year 2 will be doing Food Technology. Year 2 will be focusing on recognising the different food groups, alongside in weighing and measuring different ingredients. Year 2 will end this topic with making their very own healthy Sandwiches.

Computing

In Computing, Year 2 will look at 'Questioning' and 'Presenting ideas.' Children will explore with different tools on Purple Mash and by the end of the topics will be able to create presentations and Pictograms. Children will increase their confidence when using computers and continue their work on internet safety.

Year 2 Term: Summer 2

English

In English, we will be looking at some exciting chapter books. Our first book will be 'Flat Stanley.' Children will continue working hard to extend their sentences. They will be writing; character descriptions, instructions, letters and will be given the opportunity to have a go at some free writing.

Art

In Art, we will be focusing on collage, looking at shape, texture, pattern and colour. Year 2 will be challenged to creating different pictures using a range of materials. Year 2 will also look at the work of Henri Matisse.

PSHE/ SRE

In our PSHE lessons we will be focusing on how to recognise our feelings. Year 2 will explore different emotions and when they might experience these emotions. We will look at how this makes us feel and how to deal with these different feelings.

Geography

In Geography, Year 2 will learn about 'The Seven Wonders of the World.' Year 2 will be studying Mountains, Rivers and different landscapes, comparing them to other areas they have studied throughout the Year.

Science

In Science, Year 2 will continue their work on 'Plants.' Year 2 will be working scientifically by observing and recording the growth of plants in different conditions, looking at how they change and grow overtime. Year 2 will be setting up comparative tests and finding out about what plants need to grow.
