

Maths

We will be using the fluency, reasoning and problem solving approach, alongside the use of concrete and pictorial representations in our maths work. We shall be learning all about fractions, shape and measure and time.

RE

In RE we will be learning about God and the kingdom of God. We will learn about the Pentecost and what Christians mean by 'the body'.

Art/Design & Technology

In art, we will be learning about painting and printing - mixing colours and using monoprinting techniques.

In D&T, we will be looking at food. We will be learning about how to be safe and hygienic, where food is grown and then preparing our own dishes.

Science

We will be continuing with our rocks topics and then we will be exploring plants. We will be learning about the different parts of a plant and their roles. We will learn about photosynthesis and the four stages of reproduction in plants,

History

In History this term, we will be learning about mining.

We will be learning about our local history and what life was like for people when Silverdale and Madeley mine opened. We will also learn about the different equipment used by miners and the different jobs that people did down the mines. We will also learn about the dangers of working down a mine and have our own courtroom trial about a local mining disaster.

English

We shall be reading *The No 1 Car Spotter*. We shall be creating our own predictions for what happens in the story, diary entries, letters, thoughts and feelings of characters and character and setting descriptions. We will also write poems and non-fiction. We will learn how to spell and use words from the Year 3/4 list and exploring new grammatical terms.

Music

We will be practising our singing skills, along with using glockenspiels.

PE

We will be continuing PE with Stoke City on a Wednesday where the children will be practicing tennis skills. On Friday, we will practice our communication skills and tactics.

Year: 3

Term: Summer

1

Computing

We will be using our Learning Resource Centre and using purple mash to continue to learn about emails and also animation.

French

We will be learning about how to say the names of different shapes.
