

## Maths

We will be using the fluency, reasoning and problem solving approach, alongside the use of concrete and pictorial representations in our maths work. We will be learning our 3, 4 and 8 times tables and also practise division.

### Cross curricular

We shall be using our maths skills to look at populations of different areas in the UK.

## English

We shall be reading *Sheep Pig* and *The Only Way is Badger*.

We will write predictions, letters, thoughts and feelings of characters, character descriptions and stories. We will also write some non-fiction and poetry. We will practise our spellings in multi-sensory ways, using words from the Year 3/4 list and explore new grammatical terms.

## Geography

In Geography this term, we will be learning all about the how land is used in the UK.

We will be learning all about the different physical and human features in our local area. We will also be creating sketch maps and learning about the different types of land in the UK. We will also be learning how land is used in the UK and the different types of farming that takes place up and down the country.

## RE

In RE we will be learning about Landmarks in Life. We will be learning about important and special events for Christians and Hindus throughout their lives.

## PE

We will be learning how to develop our dance skills and football skill.

## Science

We will be learning about light. We will be talking about what light is and learn about reflection. We will have fun exploring shadows !

Year: 3 Term: Autumn 2  
Geography topic: How is land used in the UK?

## Design & Technology

In DT, we will be designing, making and testing our own bridges, linked to our Geography topic.

We will be designing and making our own toys, games and Christmas decorations.

## French

We will be learning how to talk about colours and number..

## Music

We will be practising our singing skills.

## Computing

We will be using our Learning Resource Centre and using purple mash to learn about staying safe online and how to search the internet effectively.

## PSHE/SRE

We will be learning all about how we can treat each other with respect. We will also be learning about our rights and responsibilities.
