

## English

We shall be reading *The Middler* which is about an eleven-year-old girl, Maggie, who lives in the fictional place of Fennis Wick, enclosed and protected from the outside world by a boundary, beyond which the Quiet War rages and the dirty, dangerous wanderers roam.

We shall be creating our own town rules, monologues, arguments, free verse poems, diary entries, descriptions, dystopic and utopic settings, predications and short stories based on *Middler*. We shall also be learning how to spell and use words from the Year 5/6 list and consolidating all grammatical terms.

### Cross curricular writing

We shall be writing non-fiction information pages, reports and explanations based on Electricity and writing surveys and reports in Geography.

## PE

We will be learning to develop our striking and fielding skills in cricket and developing our athletic skills.

## Computing

We will be continuing to develop our quizzing skills.

## Geography

### How will our world look in the future?

We will create our own plan for the future of the local area, considering the needs of the wider community and thinking about housing, public services and industries.

## Maths

We will be using the fluency, reasoning and problem solving approach, alongside the use of concrete and pictorial representations in our maths work. We shall be consolidating our algebra skills, written methods and problem solving skills.

## RE

In RE we will be learning about justice for all

## Science

We will be continuing to learn about electricity by discovering the work of famous scientists: Michael Faraday and Thomas Edison.

## Art and Design

We will be creating a landscape based on L.S. Lowry and Madeley using oil paints and Lowry's five colour palette. We will be creating sculptures for the development of Madeley. We will be exploring block printing with motifs and by etching. We will be using our acrylic painting skills to create a canvas.

## PSHE

GLOW - relationships without fear project.

# Year 6 Summer 2

## Design and Technology

We will be using our design and technology skills to make a 3D model of a housing development for Madeley. We will use our food technology skills to make our own pasta and create packaging for this.

## Spanish

We will be learning colours and Numbers - Los colores y los numeros.

## Music

We will be exploring the theme of: reflect, rewind and replay.
