'With God all things are possible'

6.1.22

Dear Parents/Carers

Happy New Year! I hope you all had a lovely Christmas and you managed to stay safe and well. We have had a super start to the year and the children have come back to school enthused and ready to learn.

I am pleased to let you know that we have been selected to take part in the National School Breakfast programme. Research shows the importance of children eating breakfast, every morning, to support their growth and development. Therefore, we will be providing FREE bagels, each morning, to all children who want one. These will be available to the children, as they enter school and will be eaten during registration.

This programme will run, at least until the end of the school year and it is funded by the Government this term and we will have to part fund it next term.

The kitchen will be selling the normal selection of items at break, so your child can purchase toast etc. You can send in a snack from home for your child to eat at break if you prefer. Please do NOT send in sweets.

Please ensure that you continue to send your child with a water bottle each day so that they can stay hydrated.

I'm sure you will agree this is a great initiative and it will help to ensure that all our children have eaten and are ready to learn each day.

Kind regards

Mrs S Inskip-Ward
