

### Maths

We will be learning about shapes and also about place value to 20. We will use a range of resources to investigate mathematical concepts. We will explore our own mathematical reasoning, using our words to talk about how and why.

### English

We will be reading *Lost and Found*, *Knuffle Bunny* and *We're Going To Find A Monster*. We will be writing character descriptions, setting descriptions, retells and changing parts of the story. We will make sure we apply our phonics and decode words when we are reading. We will read aloud and build our confidence.

### Geography

We will be learning about the UK. We will learn about the different countries and capital cities in the UK and some of the features of these countries.

### RE

We shall be learning about incarnation and celebrations and why Christmas matters to Christians. We will be a learning about the nativity and advent and what Christians believe about them. We will also be learning about who we might thank at Christmas and also traditions that happen at Christmas.

# Year 1 Spring 1

### Art

We will be learning about lines. For this, we will be drawing different types of lines and seeing how thickness of lines changes with pressure. We will also be learning about how we can show feelings and emotions through drawing.

### PSHE/SRE

We will be learning about what helps us to stay healthy. We will be learning about what we can do and eat to be healthy, how to stay hygienic and how we can stop germs from being passed on.

### PE

We will develop our jumping and running skills and learn how to make our running and jumping more effective.

### Computing

We shall be learning about health and wellbeing when using technology and when it is a good time to take a break from technology. We will also be programming and will be learning about how to move a robot.

### Science

We will continue to learn about everyday materials. We will be learning about the materials that objects are made from, know the properties of everyday materials and we will group materials based on their properties.

### Music

We will be learning about the beat in music through chanting about football.

### SEAL

In our Social and Emotional Learning our theme will be *Going for Goals*.
