

RE

In RE, we will be looking at different actions and rituals. We will explore what Christians and Muslims believe in, discussing the similarities and differences between the two.

PSHE/ SRE

In PSHE, we will be looking at different professions and why people have jobs. We will explore how people chose their jobs and what skills and attributes they possess within their career.

Science

In Science we will be learning about 'Animals, including Humans.' We will be exploring different lifecycles, alongside looking at the basic needs of Humans, including exercise, hygiene and the different food groups.

Computing

In Computing, we will be looking at a unit called 'Robot Algorithms.' Year 2 will be learning all about Algorithms and sequences. They will design their own programs using different software's.

English

This half term we will be reading some very exciting books, a mixture of fiction, non-fiction and poetry. Year 2 will be producing some good writing based around these books, focusing on consistency in their punctuation and handwriting. This half term Year 2's main texts will be 'The Owl Afraid of the Dark,' and 'Flower.'

Music

In Music we will continue to look at different music styles. We will be learning about how to find the pulse and beat of a song, alongside in identifying different instruments in a piece of music.

SEAL

Our theme this half term is 'Going for goals!', which aims to develop children's self-awareness and promote goal-motivated behaviour.

Maths

In Maths we will consolidate our Autumn learning. This half term our focus will be money and multiplication and division. By the end of this term we will be aiming for Year 2 to confidently know their 2's, 3's, 5's and 10's. Year 2 will be putting this into practise by using TTRockstars and completing different challenges.

Year 2 Spring 1

What are we learning this half term?

D&T

In D&T, Year 2 will be focusing on Food and preparing fruit and vegetables. We will be practising our cutting, grating and peeling skills.

PE

This half term Year 2 will be focusing on movement. Pupils will understand how to apply the correct technique for jumping, skipping and hopping in games. We will also be learning how to dodge effectively.

History

This half term Year 2 will be focusing on History. Year 2 will be learning about Great Explorers, in particular Christopher Columbus. Year 2 will look at his Historical significance and how he became a significant person.
