

## History

We will be learning about the Industrial Revolution. When it was, what it was and what life was like during that period. We will also be exploring significant figures from Stoke-on-Trent e.g. Captain EJ Smith, Reginald Mitchell, Robbie Williams and Sir Stanley Matthews.

## Spanish

We will be learning *Mua Casa (My Home)*.

## Music

We will explore percussion and Calypso solèy levé. We will explore a contemporary and popular form of instrumental calypso. It is the sound of the carnival, warming up and a call out to people on the streets to move and smile in joyful anticipation of the carnival fun to come.

## Computing

We will be learning how to programme variables in games.

## PE

We will be developing our invasion skills through Quidditch and Handball.

## RE

In RE we will be finding out about the activities of a local religious community and make links with key religious teachings. We will be exploring the concept of God's Kingdom asking: what kind of king was Jesus

## Maths

We will be learning:  
Number - rounding, negative numbers, common factors and prime numbers.  
Calculations - multiplication facts, long multiplication, long division, checking answers and multiplication pyramids.  
Fractions - rounding decimals, multiplying/dividing decimals by 10, 100 and 1000.  
Measurement/statistics - reading scales, word problems-converting units, conversion graphs-currencies.  
Geometry: constructing triangles, 3D shapes, circles.  
Algebra: missing number problems, using formula, number sequences.

### Cross curricular

We shall be learning about statistics and measures in our science and geography work.

## Science

We will be learning how things evolve and exploring the work of Charles Darwin

## Art & Design

We will be exploring Mediterranean art, the use of the colour, line and shape in villages, landscapes and ceramics.

## PSHE

We will be learning how the media can influence people.

## SEAL

In our Social and Emotional Learning our theme will be Going for Goals.

# Year 6 Spring 1

## English

We shall be reading *A Monster Calls* by Patrick Ness. We shall be creating our own historical tales, diary entries, poetry, explanations, letters, reports, information pages, predications and short stories based on *A Monster Calls*. We shall also be learning how to spell and use words from the Year 5/6 list and consolidating grammatical terms such as relative clauses, passive voice and securing our knowledge of word classes. We will continue to apply complex punctuation ; : ... - to our work. We will be exploring new grammatical terms such as subjunctive form, synonyms/antonyms, passive/active voice and subject/object.

### Cross curricular writing

We will be writing biographies about Charles Darwin in science.
